

Adelaide Hills
Division of General Practice Inc.

Board Director Vacancy

Are you passionate about shaping the future direction of an organisation that plays a lead role in working with general practice to deliver high quality health care for the Hills community?

Adelaide Hills Division of General Practice (AHDGP) has 30 staff providing services that support 26 general practices caring for the 65,000 residents living across the Adelaide Hills.

We are an independent incorporated association based in Nairne with an inclusive, proactive approach to working across the primary care spectrum. We are determined to gain a positive outcome from the current health reform process and are looking for like-minded individuals who can bring relevant skills and expertise to our Board to help us achieve the best for our community.

We are seeking Board Directors who can bring some or all of the following:

- Strong network of community contacts
- Demonstrable business development / managerial history
- Awareness of the current political debate surrounding health reform
- Awareness of issues and requirements in maintaining a healthy, vibrant, growing organisation
- Practical understanding of corporate governance
- Dedicated time to allocate to role
- Excellent communication skills
- A commitment to contributing to the health of the Hills community

Board appointments are for two years and an honorarium is paid. Further information is available via the employment link on our website: www.ahdgp.org.au. For additional questions please ring the CEO, Mr Kevin Wisdom-Hill on 8406 7722.

Applications close 29.6.10 and must address the position description.
